## A47 Pay to Caesar, Matthew 22:15-21, Twenty-Ninth Sunday in Ordinary Time

God expects you to pay to Caesar (your city, county, state, and country government) what you owe it in taxes. God expects you to pay a part to him, too. When you give part of what you have to God, he multiplies what you have left. I have seen it happen time and time again. All the money, clothing, shelter, food, water...everything on the earth belongs to God. He just loans it to you for a while. If you take good care of it, and you share it with him, and others, he will keep you in abundance. If you waste what you have, and do not share, God might not be as generous with you the next time.
